

LITTLE SCHOLARS

We Inspire Confidence!

2021 SUMMER CAMPS

PRESCHOOL TO RISING KINDERGARTEN

CAMP	DESCRIPTION
<p data-bbox="378 197 521 264">Art Safari</p> 	<p data-bbox="1008 228 1182 260">BEST SELLER</p> <p data-bbox="732 264 1458 432">Grab your binoculars because we are going to take a safari around the world! We will visit different countries each day and learn about native animals through literature, games and art. Discover the thrill of the hunt without leaving camp!</p>
<p data-bbox="302 480 599 512">Builders in Training</p> 	<p data-bbox="1008 480 1182 512">BEST SELLER</p> <p data-bbox="732 516 1458 716">Calling all inventors, builders, and designers; come and build some awesome creations with us! We will create our own designs and make structures using Legos, recyclable materials, and many other interesting items. Skills necessary: none! Skills gained: communication, problem solving, reasoning, developing creativity, and team work.</p>
<p data-bbox="337 743 563 774">Dino Discovery</p> 	<p data-bbox="732 743 1458 947">Do you know which dinosaur was nicknamed "long neck?" Do you know which dinosaur had the biggest head? Join us for a colossal journey into the world of dinosaurs. Build a dinosaur replica and have an archaeological dig just like a real paleontologist. In Dino Discovery, you will have a swamp stomping good time!</p>
<p data-bbox="354 1005 547 1037">Hablo Espanol</p> 	<p data-bbox="1021 1005 1169 1037"><i>NEW CAMP</i></p> <p data-bbox="732 1041 1458 1272">Ever wondered how to say your favorite words in Spanish? Join us as we introduce campers to the basics of the second most spoken language in the world through an innovative, dual language, thematic approach with games, stories, songs, and art. Campers will be exposed to the following Spanish concepts: colors, body parts, numbers, family members, and common phrases.</p>
<p data-bbox="228 1278 672 1310">Head, Shoulders, Knees and Toes</p> 	<p data-bbox="1021 1278 1169 1310"><i>NEW CAMP</i></p> <p data-bbox="732 1314 1458 1514">S-T-R-E-T-C-H, WIGGLE and MOVE! Get your body moving through movement, fitness, music and yoga. Our games and creative play are designed to strengthen the core muscles, balance and coordination as well as improve gross and fine motor skills. Come on and get moving with us!</p>
<p data-bbox="277 1520 623 1551">Infinity and Beyond Camp</p> 	<p data-bbox="732 1520 1458 1688">5, 4, 3, 2, 1 blast off to a galaxy far, far away to learn about Earth and the amazing solar system. Discover all things galactic such as comets, planets, shooting stars, rockets and more. Learn about flight, the adventures of space travel, and participate in a rocket launch!</p>

<p>Math Munch</p> 	<p>BEST SELLER</p> <p>Math Munch is for all budding mathematicians! We immerse the children in rich and multi-sensory activities using manipulatives and hands on activities to build your child’s math skill set. Through our activities students will learn about basic addition and subtraction, graphing, telling time, fractions, word problems and money.</p>
<p>Mateys and Mermaids</p> 	<p>NEW CAMP</p> <p>Ahoy there! The ocean is calling your name! Dive in with us as we sneak a peek into the world below. We will discover the hidden treasures of the sea through enchanting hands on activities, music, arts, and social skills. Don’t be shark bait and miss this adventure!</p>
<p>Mini Med School</p> 	<p>BEST SELLER</p> <p>Is there a doctor in camp? Join us this summer as we bring Mini Med School to camp! Our little doctors will use stuffed animal patients to take blood pressure readings, give “stitches,” put on a cast and make their own first aid kit, all while learning lots about what doctors, dentists, EMTs and other medical professionals do on a daily basis. Join us in this fun filled camp.</p>
<p>Princesses and Superheroes</p> 	<p>BEST SELLER</p> <p>Do you have what it takes to save the world? Do you have the sparkle to rule the world? Train to be the superhero or princess you were meant to be! Save the world from evil-doers everywhere in this interactive and high energy camp. The training combines cooperative games, team building activities, literature, educational enrichment activities, and craft projects to ensure your powers will be supreme.</p>
<p>Rock and Roll Club!</p> 	<p>BEST SELLER</p> <p>We are looking for the next rock and roll star this summer! We will jam out with handmade instruments, learn hip songs and dance the camp away. Your rocking scholars will build their social skills, gross motor and fine motor skills. We will show off our moves at a final performance!</p>
<p>Scientist in Training</p> 	<p>Take a dash of engineering and a sprinkle of earth science, toss it together with some fun and games, and you have a STEAM-based camp. Our future scientists will explore the different worlds of science through take home creations. Join us for this exciting journey into the world of science.</p>

<p>Snack Tales</p>  <p>*uses food*</p>	<p><i>NEW CAMP</i></p> <p>Nibble your way through this hands on class inspired by our favorite stories and FOOD. We take a sprinkle of snacks, a pinch of stories, a dash of fun and mix it all together for Snack Tales! Our Little Scholars will expand their comprehension and fine motor skills in this interactive and creative camp.</p>
<p>Wild, Wild West</p> 	<p><i>NEW CAMP</i></p> <p>Giddy up and gallop on over to the wild, wild west! Gather around the campfire as we tell stories, play games and participate in activities designed to enrich our campers' fine and gross motor skills, encourage cooperation and social skill strategies! Yee Haw!</p>

Camps are for potty trained children ages three to six.

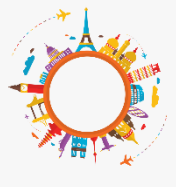

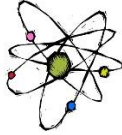

ANY OF OUR SUMMER CAMPS (OR A COMBINATION OF CAMPS) CAN BE USED FOR HOLIDAY OR SCHOOL BREAK CAMPS!

A-HA KITS!

A-HA (At Home Adventures) Kits are learning experiences that will inspire fun while daring your Little Scholar to imagine endless possibilities! Our kits are filled with 8 unique Little Scholars' activities learning packets, including materials, games, and fun surprises for your Little Scholars to do at home, along with a short video clip on how to create your masterpiece.

Every A-HA Kit purchased enables us to donate an A-HA activity to a child-based organization.

<p>Adventures at Sea PK-5th grade</p> 	<p><i>BEST SELLER</i></p> <p>Do you hear the ocean calling your name? Dive into the deep blue sea and create a coral reef, learn about the mysterious squid, and of course enjoy a playful visit with a shark.</p>
<p>Animal Art Adventures PK</p> 	<p><i>NEW KIT</i></p> <p>We are going on a safari around the world! Meet a sloth from the rainforest, roar with the Africa lion, and bundle up to visit the penguins in Antarctica. Grab your passport and binoculars and don't delay!</p>
<p>Biology in a Box K-5th grade</p> 	<p><i>NEW KIT</i></p> <p>It's alive! Explore the human body, the life cycle of a frog, and the growth of bacteria with activities big and small.</p>
<p>Builders in Training K-5</p> 	<p><i>NEW KIT</i></p> <p>Calling designers, builders and architects, Little Scholars needs you! As a Builder in Training, you will design a fun space for animals to play, whip up a miniature tree house and create your very own totem pole!</p>
<p>Crazy for Chemistry K-5th grade</p> 	<p><i>NEW KIT</i></p> <p>Discover the properties of slime, make your own bouncy balls, and more in this messy, but FUN kit. These experiments are sure to engage and excite any young scientist!</p>
<p>Dino Detective PK</p> 	<p><i>NEW KIT</i></p> <p>Discover the world of dinosaurs as we dig deep into fossils, build a dinosaur replica, and have an archaeological dig just like a real paleontologist.</p>

<p>Globetrotter Club K-5th grade</p> 	<p><i>NEW KIT</i></p> <p>Pack your bags we are taking a trip around the world! Hop the pond to learn about the Northern Lights, cruise over Greece to swoon over the Greek Pyramids, and toss around a boomerang through Australia...that's not all so don't miss out!</p>
<p>Nature Makers K-5th grade</p> 	<p><i>NEW KIT</i></p> <p>Ignite your passion for nature and wildlife as you learn about this magnificent planet that we call home! Build, discover, and explore with these science experiments and hands-on activities.</p>
<p>Storied Engineering K-5th grade</p> 	<p><i>NEW KIT</i></p> <p>Once upon a time our favorite story book characters found themselves in sticky situations! Through STEAM and physics principals and best practices, we will save the world from problems and create their very own enchanted ending.</p>
<p>Whiz Kids PK-5th grade</p> 	<p><i>BEST SELLER</i></p> <p>Grab your goggles as we venture into the world of science. With a dash of chemistry, pinch of physics and a swirl of imagination you have a box full of whiz kids' fun!</p>
<p>World of Wizards PK-5th grade</p> 	<p>Get spell bound as you enter the world of wizards with wand making, potion concocting, and cape design. The wizard world is awaiting...YOU!</p>

TOTAL PROGRAM MANAGEMENT

Total Program Management is a comprehensive solution where Little Scholars assumes management of your summer camp program, eliminating the need for an in-house coordinator to oversee your summer camp program.

Little Scholars will:

- Provide an On-Site Coordinator who will oversee the program daily
- Work with reputable vendors to create a schedule of camps to be offered
- Create a registration page and provide your school a link for parents
- Manage student registration
- Create rosters for each camp
- Manage daily attendance
- Communicate with parents
- Manage vendor payments

Little Scholars' On-Site Coordinator will:

- Serve as the on-site presence once occupied by a staff member
- Print copies of rosters for every camp and provide copies to each teacher
- Assure a timely start to the program
- Check in with teachers to ensure needs are met
- Report any daily issues or concerns back to Little Scholars so that quick solutions can be enacted
- Supervise an orderly and safe dismissal
- Ensure classrooms are returned to their original condition

Role of your school:

- Market programs to students and their families:
 - Send out email blasts promoting the programs and providing a link to register
 - Send home flyers or stickers with students as a reminder to register
 - Advertise programs via the school's social media accounts
- Provide Little Scholars space at your school to run a successful program
- Provide Little Scholars with a list of rules and procedures you wish followed

COVID-19 PROCEDURES

Little Scholars is committed to providing a safe environment for your students. We will continue to adhere to your school's policies and procedures. In accordance with the CDC guidelines for schools, we have adopted the following procedures:

PROMOTE HEALTHY HYGIENE PRACTICES

- Review, teach and reinforce washing hands and covering coughs and sneezes among children and staff.
- Require teachers to cover their face with a cloth face. If your school requires a different type of face mask, this must be provided by the school. If your school requires additional hygiene measures such as gloves or booties, these must be provided by the school.
- Remind teachers not to touch the face covering and instruct them on the proper use, removal, and washing of cloth face coverings.
- Post a sign inside the classroom and on the classroom door on how to stop the spread of COVID-19, properly wash hands, promote everyday protective measures, and properly wear a face covering. If your school requires specific signage, this must be provided by the school.

School Provides:

- A classroom with a sink or that is within proximity to a sink.
- Hand sanitizer with at least 60 percent alcohol, anti-bacterial soap, paper towels and tissues to support healthy hygiene behaviors.

INTENSIFY CLEANING, DISINFECTION, AND VENTILATION

Parents will be required to send full water bottles labeled with their child's name daily.

- Clean, sanitize, and disinfect shared objects between use. If your school requires a specific cleaning product, this must be provided by the school.
- Avoid use of items (for example, soft or plush toys) that are not easily cleaned, sanitized, or disinfected.
- Keep disinfectants away from children.
- We will not open windows and doors if doing so poses a safety or health risk (for example, allowing pollens in or exacerbating asthma symptoms) to children using the facility.
- Not use shared surfaces such as water fountains. Parents will be required to send full water bottles with their children daily.

ENSURE SOCIAL DISTANCING

- Maintain student and staff groupings as static as possible by having the same group of children stay with the same staff throughout the camp week.
- Restrict activity in higher transmission areas such as playgrounds and dining halls. If outside time is permitted by the school, it is up to the school to stagger the outside times so that proper social distancing with other camps can be enforced.

- Ensure space seating/desks to at least six feet apart.
- Serve meals in classrooms in child's designated area ensuring children are not sharing food or utensils.
- Arrival and drop-off at classroom door with limit direct contact with parents as much as possible.

LIMIT SHARING

- Keep each child's belongings separated from others' and in individually labeled areas.
- Food will be replaced with alternative items except for cooking based classes.
- Avoid sharing toys, books, and other games or learning aids.

TRAIN ALL STAFF

- We will train all teachers and staff in the above safety actions.

CHECK FOR SIGNS AND SYMPTOMS

- Encourage teachers to stay home if they are sick.
- Encourage parents to keep sick children home.
- Parents will take their child's temperature before camp each day as a part of an 'honor system.' If your school requires a specific temperature checks, we will follow school policies on checking students' temperatures before entering the building. If the teacher will be taking temperatures, the school will provide thermometers and recording method.

PLAN IF A TEACHER OR CHILD BECOMES SICK

- Follow the school's policy on an isolation room or area to separate a child who exhibits COVID-like symptoms.
- Immediately send teacher home.
- Alert the school contact when a teacher or child is identified as sick.
- Teacher will assist in closing off areas used by a sick child.
- Will not use classroom again until it has been cleaned and disinfected by school's cleaning crew.
- Advise sick teacher not to return until they have met CDC criteria to discontinue home isolation.
- Work with the school to inform those exposed to a person with COVID-19 to stay home and self-monitor for symptoms and follow CDC guidance if symptoms develop.

MAINTAIN HEALTHY OPERATIONS

- Designate a staff person to be responsible for responding to COVID-19 concerns.
- Schools will be notified of who this person is and how to contact them.
- Create a communication system for staff and families for self-reporting of symptoms and notification of exposures and closures.
- Parents will be required to sign an Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID-19 before their child attends a Little Scholars' camp.
