What does that REALLY mean? Students often need more guidance than they get in the classroom as they navigate the road of study skills. As your child becomes more independent, we will provide them with the strategies that are most compatible with their learning style to get them organized, taking good notes and studying effectively.</p>

IN-SCHOOL FIELD TRIPS AND “DAY OFF” ENRICHMENT PROGRAMS

Little Scholars provides In-School Field Trips to supplement your school’s curriculum by providing small group instruction and an engaging learning experience for children in grades PK-8th.

- Any of the enrichment programs can be In-School Field Trips
- Students rotate through ‘stations’ to experience the curriculum
- Sessions typically run for 90 minutes, but our programs can fit into any schedule
- Schools can pick the lesson(s) of their choice

Little Scholars provides “Day Off” Enrichment Programs using any of the enrichment programs. This is a wonderful addition to enhance your school’s offerings to parents on days where the children are out of school, such as holiday breaks, parent-teacher conference days, and teacher in-service days.
