Green Thumb Club

Catch a ladybug, chase a firefly and grow a garden...all while learning about nature and the world around us through stories, songs, art, exploration and imaginary play. The Green Thumb club will ignite your child's passion for nature, recycling and learning about the earth through tactile activities and developmentally appropriate science investigations. It's time to join the Green Thumb Club!

Whiz Kids

Join us on a science discovery mission in chemistry! Experiment with everyday materials for a bubbling and brewing good time. There will be some explosions, a few creations and a whole lot of discoveries. Don't miss out on this mission!

Rockets, Planes & Flying Things

Watch it soar, see it glide and come take a ride with rockets, planes and flying things! We will build flying machines, test gliders and soar to the moon through art, stories and lots of play! Our adventures will sharpen your imagination, kick start your motor skills and ignite a passion for flying!
