IN-SCHOOL FIELD TRIPS AND “DAY OFF” ENRICHMENT PROGRAMS

Little Scholars provides In-School Field Trips to supplement your school’s curriculum by providing small group instruction and an engaging learning experience for children in grades PK-8th.

- Any of the enrichment programs can be In-School Field Trips
- Students rotate through ‘stations’ to experience the curriculum
- Sessions typically run for 90 minutes, but our programs can fit into any schedule
- Schools can pick the lesson(s) of their choice

Little Scholars provides “Day Off” Enrichment Programs using any of the enrichment programs. This is a wonderful addition to enhance your school’s offerings to parents on days when the children are out of school such as holiday breaks, parent-teacher conference days, and teacher-in-service days.
