CLASS DESCRIPTIONS

Brickz 4 Kids

Thursdays

Have your child stay for a Bricks 4 Kidz LEGO® class after school. Our fun-filled model plans, designed by engineers and architects, teach children to learn with LEGO® Bricks. Using axles, gears, motors, and bricks, our project kits motivate children by reinforcing STEM-based principles while enhancing self-esteem, improving fine motor skills, and teaching important classroom lessons such as organization and following directions. Our models are either kid-powered or fully motorized. We will build vehicles, contraptions, inventions, animals and much more. Come join the fun...LEGO® Bricks Style!

Science Palooza

Thursdays

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based program. Create simple machines, dabble in the world of robots, and discover the magic of science. Put on your lab coat and grab your art supplies because this STEAM program will rock your world.

Earth Heroes

Tuesdays

Earth Heroes is all about environmental exploration and outdoor education. This unique opportunity provides professional instruction and guidance in learning to explore and enjoy the natural world around us through activities like hands-on science experiments, nature-themed games and art projects, group activities, and more. **Taught by Riverside Outfitters**

Grades K-2, 3-5

Sportz 4 Life

Thursdays

Sportz 4 Life is bringing their fun, engaging golf and tennis classes to Maybeury ES this winter/spring. Using kid-friendly equipment, Sportz 4 Life introduces golf and tennis with easy to learn skills and creative games for the children. Children will learn all the equipment, different swings, proper grips, how to putt, chip, volley, hit forehands and backhands, hand-eye coordination, balance and movement, etiquette, games, and positive character traits. Our main focus in coaching is to have fun and teach the basics of 2 sports that can be played for a lifetime.

Pay It Forward

Tuesdays

Pay It Forward is a unique opportunity for students to learn how to impact the world around them. Our leaders will learn about public speaking, civic involvement, and community outreach opportunities with an engaging curriculum to channel their desire to have a positive impact on the world around them.

Grades 3-5
