Week 3 July 8th-12th INVENTORS WEEK

Rising K Creative Builders

Bang, Bang, Build, Build...is building things your jam? Construct some awesome creations with us using interlocking building blocks and many other interesting items. Learn the importance of communication, problem- solving, creativity, and teamwork, just like real engineers.

Rising 1st-2nd Builders

Calling all inventors, creators, builders, and designers! Come build some awesome creations with us! We will create our own designs and make structures using recyclable materials, building blocks, and many other interesting items. Skills necessary... none! Skills gained: communication, problem solving, reasoning, developing creativity, and teamwork.

Rising 3rd-4th Builders

We will create our own designs and make structures using recyclable materials, building blocks, and many other interesting items. Skills necessary... none! Skills gained: communication, problem solving, reasoning, developing creativity, and teamwork.

Week 4 July 15th-19th CREATIVITY WEEK

Rising K Art Safari

We are going to take a safari around the world! Visit a new country each lesson and learn about animals native to that location with a sprinkle of literature, dabble of games, and a whole lot of art. Grab your passport and discover the thrill of the hunt without leaving school!

Rising 1st-2nd Up Cycled Art

Up Cycle 'trash' and recyclable materials into creative creations such as murals, decorative containers, and wearable art. Let your creativity run wild, dream big, and help the environment along with way as you stretch your artsy side.

Rising 3rd-4th Art-chitects

In this camp, kids will learn the basics of architecture, including drawing, designing, and creating structures and buildings. Design the home of your dreams, discover the inspiration for famous buildings and bridges, and plan a new roller coaster for your favorite theme park. Unleash your inner art-chitect with us.

Rising 5th-6th Art-chitects

Week 5 July 22nd-26th COMICS WEEK

Rising K Head, Shoulders, Knees, and Toes

Get your body moving with active songs, processed art, learning games, and creative play, all designed to strengthen the core muscles and motor planning skills used for fine motor activities. We will learn correct letter and number formation, pencil grip, and scissor skills as we use our Head, Shoulders, Knees, and Toes!

Rising 1st-2nd Comics

What happens when drawing and creative writing collide? COMIC CREATIONS! Delve into the world of comics as you explore different comic styles, create a signature character, develop a unique cartoon style, design a comic book, and build a portfolio of comics. Sharpen your pencil and ignite your creative juices with us!

Rising 5th-6th Extreme Animals

What is the most dangerous animal on earth? What is the weirdest animal adaptation? What creature is resistant to venom? We'll find out all of this and more as we learn about the world's most extreme animals. Students will build their science and language skills and they will debate and conduct experiments regarding these crazy creatures.

Week 7 August 5th-9th OLYMPIC WEEK

Rising K Olympic Fun Bunch

Carry the Olympic torch to Paris this summer with Little Scholars! Our Little Olympians will explore the spirit of the Olympic Games through interactive games and theme-based projects. Join us in a gold medal winning summer experience.

Rising 1st-2nd Olympic Madness

Go for the gold! Carry the Olympic torch to Olympic Madness Club where you will participate in individual competitions and team-based challenges for days of fun and games. Olympic Madness is for all those students who want to try new sports and take your physical abilities to a whole new level.
