# Total Program Management

Total Program Management is a comprehensive solution where Little Scholars assumes management of your enrichment programs, eliminating the need for an in-house volunteer or staff member to coordinate the program.

## LITTLE SCHOLARS WILL:

- Provide an On-Site Coordinator who will oversee the program daily
- Work with reputable vendors to create a schedule of classes to be offered
- Create a registration page and provide your school a link for parents
- Manage student registration
- Create rosters for each class
- Manage weekly attendance
- Communicate with parents
- Manage vendor payments

## LITTLE SCHOLARS ON-SITE COORDINATOR WILL:

- Serve as the on-site presence once occupied by a volunteer or staff member
- Provide rosters for every class and provide copies to each class teacher
- Reconcile rosters using absentee and early dismissal lists
- Assure a timely start to the program
- Check in with teachers to ensure needs are met
- Report any issues or concerns back to Little Scholars so that quick solutions can be enacted
- Supervise an orderly and safe dismissal
- Ensure classrooms are returned to their original condition

## ROLE OF YOUR SCHOOL:

- Market programs to students and their families
- Send out email blasts promoting the programs and providing a link to register
- Send home QR stickers with students as a reminder to register
- Advertise programs via the school's social media accounts
- Determine scholarship offerings if applicable
- Provide Little Scholars space at your school to run a successful program
- Provide Little Scholars with a list of rules and procedures you wish to follow
