

SUMMER CAMPS 2026 CATALOG

WE CREATE OPPORTUNITIES TO GROW!

PRESCHOOL TO RISING K

Alphabet Art 	STANDARD PRICING	Now I know my ABCs, won't you come and create with me? Make the alphabet come to life through various arts and crafts activities. Alphabet Art will expose your budding scholar to learning letter-sound relationships, letter formation, and sensory experiences. Get ready for an adventure in alphabet art.
Art Safari 	Can be used for K-2 as well SELECT PRICING	We are going to take a safari around the world! Visit a new country each lesson and learn about animals native to that location with a sprinkle of literature, dabble of games, and a whole lot of art. Grab your passport and discover the thrill of the hunt without leaving school!
Bookworm 	Can be used for 1st-2nd as well STANDARD PRICING	Wiggle, fly, hop, and scoot into a lifetime love of reading. Establish a solid foundation of reading readiness with bundles of activities to expose your beginning reader to letter-sound relationships, comprehension strategies, and an introduction to high-frequency words through a host of activities to get your little scholar moving in the right direction.
Bug Bonanza 	Can be used for 1st-2nd as well SELECT PRICING	Are you ready to bug out? Explore the world of bugs as you sing songs, create buggy crafts, and crawl through math and reading activities focused on the lives of these cool crawly creatures.
Fossil Finders 	SELECT PRICING	Come stomp, roar, and explore on a HUGE adventure into the world of dinosaurs! In this dino-mite class, young paleontologists will build their very own dinosaur replicas, dig for fossils, and uncover prehistoric secrets through hands-on activities and imaginative play. Get ready for a swamp-stomping, fossil-finding good time!
Green Thumb Club 	Can be used for 1st-2nd as well PREMIUM PRICING	Catch a ladybug, chase a firefly, and grow a garden, all while learning about nature and the world around us through stories, songs, art, exploration, and imaginary play. The Green Thumb Club will ignite your child's passion for nature, recycling, and learning about the Earth through tactile activities and developmentally appropriate science investigations. It's time to join the Green Thumb Club!

Head, Shoulders, Knees and Toes 	STANDARD PRICING	Get your body moving with active songs, processed art, learning games, and creative play, all designed to strengthen the core muscles and motor planning skills for fine motor activities. We will learn correct letter and number formation, pencil grip, and scissor skills using our Head, Shoulders, Knees, and Toes!	NEW CLASS
Jumping Beans 	STANDARD PRICING	Hop, skip, and jump to Jumping Beans! Let's wiggle, stretch, move our bodies, and play games. It's like a big adventure that helps us grow stronger and more confident. We'll learn to balance, jump, and do all sorts of cool moves together! So, let's get ready to bounce and giggle at Jumping Beans.	BEST SELLER!
Little Engineers 	SELECT PRICING	Little Engineers, we need you! Join us for a hands-on adventure where imagination meets construction! You'll create awesome projects using interlocking building blocks and various materials while learning how to think like a real engineer. Through teamwork, problem-solving, creativity, and communication, you'll build more than just cool creations—you'll build skills for life!	NEW CLASS
Math Munch 	SELECT PRICING	Math Munch is for all budding mathematicians! Through rich multi-sensory activities using manipulatives and hands-on activities, our Little Scholars will build their math skill set as we learn about counting, colors, shapes, graphing, patterns, and money.	
Mermaids and Pirates 	STANDARD PRICING	Ahoy, Pirates and Mermaids...let's set sail on an adventure into the deep blue sea! Treasure hunts, sandcastle building, and mystical ocean discoveries await you. Our adventures will dive deep into music, arts, language development, and social skills (just don't tell the real pirates!).	NEW CLASS
Mini Med School 	Can be used as 1st-2nd as well SELECT PRICING	Is there a doctor around? Mini Med School is coming your way! Our little doctors will learn the ins and out of the fascinating world of medicine. Grab your doctor bag and learn all about what doctors, dentists, vets, and other medical providers do to make our world a better place.	BEST SELLER!

Rock-n-Roll Club 	SELECT PRICING	We are looking for the next rock-n-roll star! We will jam out with handmade instruments, learn hip songs, and rock the day away. Your rocking scholar will show off their social, gross, and fine motor skills at our final performance. Show us your rock star side!
Rockets, Planes, and Flying Things 	STANDARD PRICING	Watch it soar, see it glide, and take a ride with rockets, planes, and flying things! We will build flying machines and soar to the moon through art, stories, and lots of play! Our adventures will sharpen your imagination, kick start your motor skills, and ignite a passion for flying!
Science Sprouts 	SELECT PRICING	Get ready to make some BIG discoveries! Our future scientists will sprout their curiosity as they dig into experiments, science-based reactions, and simple discoveries. Each session is packed with activities that spark imagination and introduce basic science concepts. Your little scholar will have a blast asking "why?" and learning how things work!

BEST SELLER!

Dino Club 	SELECT PRICING	Go back in time to the Jurassic Era to learn about the incredible creatures that once ruled the Earth. Uncover fascinating facts, dig up fossil secrets, and explore the world of dinosaurs like true paleontologists. Through games, hands-on activities, and imagination-fueled adventures, you'll become a dino expert in no time!
Field Day Everyday! 	STANDARD PRICING	From classic relay races to spirited competitions, students will experience the joy of outdoor games, team challenges, and exciting activities that keep them moving and laughing. Field Day Everyday is where every day is a day to run, jump, and play to your heart's content. The fun never stops, and every day feels like a celebration!
Galactic Adventures 	SELECT PRICING	Blast off to a galaxy far, far away to learn about all things space and the amazing solar system. Participate in out of this world science experiments, design and engineer spacecraft prototypes, and discover a whole new world.
Globetrotters 	STANDARD PRICING	Let's trot the globe to explore different countries and learn about the traditions and celebrations that are unique to their region. Our special journey will touch on art, music, and games native to each country. Globetrotters, pack your bags because this is a program that you do not want to miss!
Hablo Espanol 	1st-2nd only STANDARD PRICING	Embark on a bilingual adventure with us as we explore the vibrant world of Spanish! Using games, stories, songs, and art, we'll dive into the language basics, such as colors, numbers, family members, and everyday phrases. So, come along and expand your linguistic horizons with us! Let's unlock the beauty of Spanish together through creativity, exploration, and lots of fun!

Hoopster Basketball 	Gym Space Required SELECT PRICING	This is the ultimate destination for young basketball enthusiasts eager to learn the game! Learn skills like ball handling and shooting techniques through engaging drills and scrimmages. Create a unique jersey while developing their basketball IQ, gaining a deeper understanding of strategy, teamwork, and sportsmanship.
Journey through the Rainforest 	SELECT PRICING	Did you know 6% of the earth is covered by rainforests? Slither with us through this diverse ecosystem as we explore the animals, creatures, and unique environment of the rainforest! Conduct experiments and create crafts focused on life in and below the canopy.
Math Facts Masters 	STANDARD PRICING	Join Math Fact Masters, where students build a strong math foundation through fun games, exciting challenges, and hands-on activities designed to improve fact fluency in a supportive, low-pressure environment. Along the way, students will track their progress, celebrate achievements, and walk away feeling confident and ready to tackle math in the classroom!
Miniature Makers Workshop 	2nd-5th only PREMIUM PRICING	They say the best things come in small packages—and in this class, they really do! Get ready to design and build your very own miniature 3D scenes, characters, and tiny treasures using everyday materials and a whole lot of imagination. From cozy rooms and magical shops to pint-sized people and pets, each tiny world you create is a chance to express your creativity, develop hands-on skills, and bring big ideas to life—one small detail at a time!
Spirit Squad 	SELECT PRICING	We have school spirit, yes we do! We have school spirit, how about you? From high-energy routines to creative choreography, we'll learn the moves that make the crowd go wild. Our Spirit Squad will develop their cheerleading, dance, and leadership skills while fostering camaraderie and pride. GO TEAM!

Our Side of the Story 	Technology Option Available SELECT PRICING	Ever wonder what it's like to be a reporter, editor, or designer? Get hands-on experience creating a student-run publication from start to finish. Cover school events, interview teachers and students, write opinion pieces, review books or movies, and even create comics or puzzles! Learn the essentials of journalism—research, writing, editing, and layout—while developing your voice and sharing stories that matter. Work as a team to publish a newspaper that informs, inspires, and represents your school community.
STEM Explorers 	PREMIUM PRICING	STEM Explorers is a hands-on exploration of science, technology, engineering, and mathematics through exciting projects and experiments. Through experiments and innovative projects, where curiosity meets creativity in our lab-inspired environment. Join us as we pave the way for future innovators and problem-solvers!
Super Sleuths 	STANDARD PRICING	Get out your magnifying glasses and detective hat; we have clues to decipher and crimes to solve. We'll put our critical thinking skills and STEM knowledge to the test and get to the bottom of mysteries by learning the tricks real investigators use to solve cases. While experimenting with simple detection techniques, your reasoning skills will grow, and your problem-solving skills will be better than those of CSI agents.

Total Program Management

Total Program Management is a comprehensive solution that allows Little Scholars to assume management of your enrichment programs, eliminating the need for an in-house volunteer or staff member to coordinate the program.

LITTLE SCHOLARS WILL:

- Provide an On-Site Coordinator who will oversee the program.
- Work with reputable vendors to create a schedule of programs to be offered.
- Create a registration page and provide your school with a link for parents.
- Manage registration.
- Create rosters for each program.
- Manage attendance.
- Communicate with parents.
- Manage vendor payments.

LITTLE SCHOLARS ON-SITE COORDINATOR WILL:

- Serve as the on-site presence once occupied by a volunteer or staff member.
- Provide rosters for every program and provide copies to the teachers.
- Reconcile rosters using absentee and early dismissal lists.
- Assure a timely start to the program.
- Check in with teachers to ensure needs are met.
- Report any issues or concerns back to Little Scholars so that quick solutions can be enacted.
- Supervise an orderly and safe dismissal.
- Ensure classrooms are returned to their original condition.

ROLE OF YOUR SCHOOL:

- Market programs to students and their families.
- Send out email blasts promoting the programs and providing a link to register.
- Send home QR stickers with students as a reminder to register.
- Advertise programs via the school's social media accounts.
- Determine scholarship offerings if applicable.
- Provide Little Scholars with a space at your school to run a successful program.
- Provide Little Scholars with a list of rules and procedures you wish to follow.
